

The Gilliland Estate - (Commonly known as ECETI Ranch) Frequently Asked Questions 2016

Throughout the years, the Ranch and its stewards have caught the attention of a number of agencies of the control system & at one point it was uncertain if the Ranch would even continue to exist!... In order to continue our mission and facilitate the numerous requests we receive from around the planet, a number of changes have been of practical necessity to implement.

This has included correcting the status of the Land. To accomplish this the Registration of the Land with the County has been specifically withdrawn. Three Land has been patented.

Even the former civic address has been rescinded and is no longer used.

Operation in the private is our remedy and therefore, visitation to the ranch is by prior reservation only. **Please do not come without an appointment.** Our schedule is often full. Thank you for your understanding and consideration.

From time to time we organize private events designed to assist in the awakening and healing of humanity and the earth. This season we have a number of special weekend visitation opportunities to choose from. During these private events the ranch is reserved for visitors who are attending that event. Casual camping or Skywatching is **not available** during these private weekends if you are not registered for the weekend workshop. We ask that all guests be self-sufficient and focused on self-mastery and personal discovery.

Respecting the land, people, animals and energy is a requirement for all visiting guests. All donations go to sustain and maintain the Ranch and its stewards. Thank you for your generosity!

SKY WATCHING/ PRIVATE GUEST REGISTRATION

All private guests will sign a waiver of liability, and private contract upon arrival/check in. Guest registration is located in the Lounge under the Meditation Room (behind the main house next to green house) If no one is in the lounge area please take a walk around outside to locate someone.

All guests will take full responsibility and Liability for their actions while visiting the property. Should it be necessary, guests agree to leave should they be asked to for any reason.

All Donations support the ranch and ECETI Crew in the pursuit of continued service. This season we will be inviting private guests to visit Thursday through Sunday **with a reservation**. Please register online before arriving to ensure we can accommodate your visit.

SkyWatching Only – when you are not staying at ECETI - is a \$5 suggested donation in advance when you register. Should you feel moved to make an additional donation on site please find one of the ECETI Crew or use the wooden donation box posted on a tree near SkyWatch field. On Scheduled weekends we have Group SkyWatch with James and ECETI Crew using infrared and 3rd generation night vision technology. Other times James or ECETI Crew may not be available and sky watching may be open to guests to create a unique personally guided experience. If you are not

staying at ECETI, hosted SkyWatch takes place on Friday and Saturday, in most cases hosted by James Gilliland. If you are staying at ECETI the ECETI Crew will also host SkyWatch on Thursday and Sunday nights.

Onsite Camping & Lodging – Updated for 2016

All guests are invited to visit the ranch by advance online registration only.

Maximum stay is 4 Nights.

-CAMPING – register online

Camping is a minimum suggested donation \$30 per night/per tent/camp site/RV/trailer/camping in your vehicle (up to 3 guests per group additional guests per tent \$10 each, additional tents per group \$30 each). Please check weather forecast prior to visit to ensure you are prepared. We do not refund your stay if the weather is not to your liking. Bring all food, coolers, and items you would need when camping. Outdoor cooking is contingent on whether or not there is a fire ban in place. You may bring a small propane campstove. Please do not bring Styrofoam to the ranch. Our drinking water is also excellent, fluoride free. Campers have access to the bathrooms located behind the Conference Hall, which include showers, toilets, and a sink. Please bring your own towel and soaps. During cold weather it is possible to camp in our main hall/AG Building where we have a wood stove. (All by reservation only)

-ROOMS – register online

Rooms are available by online reservation. Calling the main number to check on availability can be a hit and miss game and may delay your visit. Please be advised that we are not a hotel. If you are looking to have the comforts of a hotel, there is a list of local hotels in the latter half of our FAQ. All of our rooms are very basic and rustic. None of the rooms have their own bathroom. There are a limited number of rooms available. As we are limited in the number of rooms we have we require deposits for all rooms and full prepayment for the Eagles Nest and Guest House Rooms as these are the most popular. There is a non-refundable deposit of \$25 per night for rooms and a 48 hour cancellation policy. The room rate depends on the number of people in the room and the type of room you select. If a room category is not showing for the weekend you are looking at coming it means that all of those room types are sold out. All of our laundry is washed & fresh for your arrival.

A variety of rooms are offered:

Eagles Nest: New in 2016 is our unique Eagles Nest two story cabin with deck located on the pond. There is a twin bed on the ground floor and a double bed futon on the second floor – up a ladder. There is also a deck off the upper bedroom. This is a beautiful cabin – secluded and peaceful. It does not have electricity and guests staying here have a short walk to the Campers Bathroom.

2016 Room Rate for Eagles Nest: \$85 per night up to 3 people in a room. No more than 3 people can be accommodated in this cabin.

Pyramid Guest House: Please note there are 4 rooms in the Guest House, three of which have one double bed and one set of twin bunk beds (max occupancy 4) and the final room only has one King Bed (max occupancy 2). Guests in pyramid Guest House have access to library, videos, mini kitchen including full sized fridge shared with other pyramid house guests (limited space!) sinks, bathrooms, showers and hot plate for cooking. There are electric fans for the summer and electric heaters for the cooler months. It is recommended all guests bring coolers & ice for food storage due to limited refrigeration space. Please note GuestHouse common area access is for guests staying in rooms only, Guest House common areas are not available for use by campers or those renting yurts.

2016 Room Rate for Guest House Rooms: \$75 per night up to 3 people in a room. Additional people per room \$10.

Meditation Rooms: There are 3 Meditation Rooms at the Ranch, named so because they are located in the same building as our Meditation Room/Bookstore. These rooms have electricity and guests staying in these rooms have a short walk to our Campers Bathroom adjacent to the Conference Hall. Each of these 3 rooms have one double bed on the ground floor and one twin futon in the loft. Maximum Occupancy 3 people per room.

2016 Room Rate for Meditation Rooms is \$65 per night up to 3 people, additional person per room \$10 per night.

Yurts/Cabins: These beautiful large stand-alone wooden cabins have high ceilings, windows that open, wood burning heat stoves and amazing energy! There are large battery operated lanterns in each of the Yurts, they do not have electricity. Two of the yurts have a double bed on the ground floor and a twin futon in the loft, the third yurt has two twin beds on the ground floor and a twin futon in the loft. Guests staying in the yurts/cabins have a short walk to our Campers Bathroom adjacent to the Conference Hall.

2016 Room Rate for the Yurts/Cabins is \$65 per night up to 3 people, additional person per room \$10 per night.

PHOTO AND VIDEO CAPTURED AT THE RANCH

ECETI continues to build our library of UFO footage, orb footage, fairy footage and event footage with the assistance of our Guests. When you visit ECETI and sign the waiver you also agree to share with us, upon our request, the photos, videos and audio you capture during your stay and release permission to use said footage and your likeness in said footage on our website and in our presentations. Guests also agree to release for use any and all footage captured onsite that includes said guest on property, whether the footage was taken by Guest, another Guest, hired photographer or ECETI Crew. If you have any questions regarding this, please see an ECETI Crew member.

PLEASE NO DOGS/PETS

IMPORTANT: As the result of two instances in 2015 where guests' dogs bit either humans or ranch dogs ECETI is now strictly enforcing no pets allowed. This includes service animals. (It was a guest's service animal that attacked our ranch dogs.) **If you do not adhere to this policy you will be asked to leave and will forfeit any deposits/payments made** so please make other arrangements for your pets prior to booking your reservation. There are no longer any exceptions. Your pup may be well behaved and truly an amazing being, we just cannot accommodate your pets. We cannot risk the liability.

CAMPFIRES

Much of the summer months, starting on July 1st, there is a serious **burn ban** in effect and no fires are permitted for the safety of our surrounding forests. When fires are permitted, they may only be built in the designated fire pit—please contact one of the ECETI Crew to get permission and help you get started as the fire pit is next to James' house. We often build group fires during the appropriate season.

SPIRITUAL TRANSPERSONAL RELEASE SESSIONS WITH JAMES GILLILAND:

One of the most powerful therapies on the planet is the Spiritual Transpersonal Release Technique. This was once known as Retro Clearing - endearingly referred to as a spiritual roto-rooter. It is a technique that transfers powerful consciousness and energy to the recipient allowing them to heal, "Quickly and Gracefully: mental or emotional wounds, traumas or wrong conclusions from past experiences." This includes past lives and unseen negative influences as well.

Many of our fears and phobias often do not have any base of origin in this life. This is when past lives have to be taken into account. We are more than the sum total of this life experience.

Unseen spiritual forces affect our mental and emotional bodies in positive and negative ways. It is time to open to the positive and heal the negative. To find out more about the Transpersonal Release Sessions [please follow this link](#) or email releasesessions@gmail.com which will also direct you to that website page.

\$175 minimum suggested donation. Limited offerings each weekend and remote sessions available. Please register on line for either an inperson or a remote session. For the in person sessions please register on the registration page [for the weekend you are coming to the ranch](#). For Remote Sessions [follow the link on bottom of this page](#).

MESSAGE, BODYWORK AND ENERGY HEALING MODALITIES

We also offer various Modalities including Massage, Cranial Sacral, Quantum Shamanic Energy work, Sound Healing, Past Life Regression, Healing for Adult Survivors of Childhood Sexual Abuse and Detox methods. Please review the webpages about [Healing](#) at the ranch and schedule your appointment on the same page as you register to come to the ranch (the weekend you're coming). Any questions email ecetireservations@gmail.com. There are limited offerings so it is suggested to schedule prior to arrival.

SELF SUFFICIENCY & LENDING A HAND

Please be self-sufficient during your stay. Please clean up after yourself, especially in common areas. We ask that our guests approach their stay here with the spirit of service. If you see something that needs to be done---help is always appreciated (cleaning, dishes in the guest house, garbage, sweeping, etc) Dedication to service and the uplifting and healing of humanity and the earth is why we are all here, so if you so choose to participate it would be wonderful! Per requests from our previous guests we have now included a way to sign up ahead of time to "Lend a Hand" during your stay. See the final category on the registration form for the weekend you'll be coming to visit.

PLEASE DO NOT LEAVE YOUR GARBAGE, EMPTY BOTTLES AND OTHER TRASH ON SKYWATCH FIELD. PLEASE HONOR THE LAND AND PICK UP AFTER YOURSELVES. IF YOU MUST SMOKE CIGARETTES PLEASE BE CONSIDERATE OF NON-SMOKING GUESTS AND ONLY SMOKE IN YOUR OWN VEHICLE OR AT THE FIRE PIT. DO NOT SMOKE ON SKYWATCH FIELD AND PUT YOUR CIGARETTE BUTTS IN THE TRASH NOT ON THE GROUND. MAHALO

VOLUNTEER EXCHANGE

There are occasionally **short-term** opportunities for volunteer exchange here at the sanctuary (**as needed**). All exchanges will be reviewed and pre- approved based upon project needs and availability. Please inquire at ecetireservations@gmail.com for further details. Please note that an exchange would need to be preceded by an initial visit and meeting and interview with the ECETI Crew before an exchange could be approved. All Volunteers will sign a work exchange contract. We reserve the right to terminate volunteer agreements at any time for any reason. The ranch is not open for extended stays or resident opportunities at this time. If you are financially

challenged and are in need of a work exchange for camping fees, please let us know and we will see what we can arrange.

SMOKING

Smoking is permitted in your own vehicle or at the campfire pit only. Please do not leave cigarette butts on the land. Please do not smoke on Skywatch Field as there are nonsmoking guests there in the evening.

Thank you!

OTHER IMPORTANT INFO... NO DRUGS, EXCESSIVE ALCOHOL or DISRUPTIVE BEHAVIOR

This is a healing sanctuary. Please support the energy by going with the flow.... Self- mastery is the focus. Respect yourself and others by adjusting to the energies here without the use of outside influences. You will have the most amazing experience with a clear body/mind! Please reflect the energy of the moment and adjust to the tone, volume, and energy around you. Absolutely no overconsumption of alcohol. A glass of wine with dinner is fine, but all consumption must be kept discreet and respectful of the setting.

Marijuana, Drug and Alcohol Free Zone

*We have been given strong guidance by Cazekiel and Bacal and our Star Family to protect the StarGate this year as the frequencies are in the process of recalibrating to an even higher vibration. Therefore, although we honor free will when it comes to the use of recreational or medical marijuana **we require guests to honor the Ranch's policy of being a Marijuana, Drug and Alcohol Free Zone.** This is crucial to prevent the diversion of energy from supporting the StarGate to clearing the entities that use the openings of artificially altered states to infiltrate the StarGate. If you are not comfortable with our policy we honor you and wish you well in locating a retreat center more in alignment with your beliefs. ECETI reserves the right to remove volunteers or guests who do not adhere to our Marijuana, Drug and Alcohol Free Zone policy from the property and all funds paid for workshops or accommodations or SkyWatch will be forfeited for non-adherence to this policy. Mahalo, James and the ECETI Crew*

DIRECTIONS TO SANCTUARY

Remember we don't use a traditional address!...

Nearest Airport: PDX, Portland OR (1.5 hours from Ranch). Rental Car recommended.

We are on Trout Lake, Washington, near the intersection of Little Mountain Road & River Road. We do not provide transfers to/from the Ranch.

Please print off these driving directions before leaving home as many cell phone providers do not have service up the mountain and we cannot always answer the phone when you need us to if we are out taking care of chores on the ranch.

We are located at the Gilliland Estate, portion of Land Patent 4570 on little mountain road. You will see a white flag of peace on either side of the gate and a large golden picture of a heart with wings indicating our location. The Gate will be closed upon your arrival. If you have a reservation, Please open the front gate for yourself and kindly close it behind you.
